An overview of Newport, rich in history and spectacular "summer cottages", is provided through a narrated driving tour. On Bellevue Avenue, view the homes of the rich and famous. See stunning scenery and beautiful homes along Ocean Drive. A guided tour of the famous Vanderbilt mansion, The Breakers, is included. This 70-room estate, built in 1895, was modeled after a northern Italian Renaissance palace. Following the morning tour, there will be free time for lunch and shopping at scenic Brick Marketplace and Bannister's Wharf. Free time in Newport will begin when the tour ends, at approximately 12:00 p.m. Passengers will be dropped off at the Gateway Visitors Center on America's Cup Avenue. The motorcoaches can return to the Visitors Center at 1:45 p.m. and we can offer return trips to the hotel at 2:00 p.m. and again at 2:45 p.m. so that people have two choices of when to return to the hotel.
